

Tehnički list za artikl: LID13667--

# LED Driver, DALI & Push to dimm, 350-900mA, 12-24VDC, 10-20W **ECONOMY**

## Tehnički podaci

|                     |            |
|---------------------|------------|
| Proizvođač          | One Light  |
| Dimabilno           | Da         |
| Klasa zaštite       | II         |
| IP stupanj zaštite  | IP20       |
| Snaga (W)           | 10-20      |
| Pogonski uređaj     | LED Driver |
| Ulazni napon AC (V) | 230        |
| Izlazni napon (V)   | 12-24      |
| Izlazna struja (A)  | 0,35-0,9   |
| Boja                | bijela     |
| Duljina (mm)        | 150        |
| Širina (mm)         | 52         |
| Visina (mm)         | 30         |
| (DxŠxV) mm          | 150x52x30  |
| Snaga (W)           | 10-20      |
