# FORCA LED Mini 54W 6750lm 5700K IP65

## 25° simetrični sivi

Floodlight

### Krivulja raspodjele svjetla

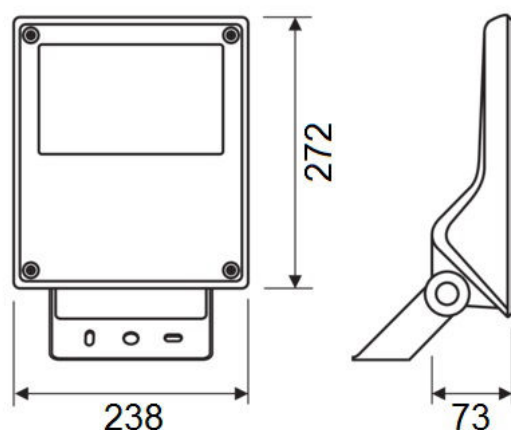

### Tehnički podaci

|                               |        |
|-------------------------------|--------|
| Neto duljina (mm)             | 272,00 |
| Neto širina (mm)              | 238,00 |
| Neto visina (mm)              | 73,00  |
| Neto masa (kg)                | 3,80   |
| Min. temperatura okoline (°C) | -40    |

## Tehnički podaci - nastavak

|                                |                                         |
|--------------------------------|-----------------------------------------|
| Maks. temperatura okoline (°C) | 35                                      |
| Boja                           | siva                                    |
| Materijal                      | Kaljeno staklo<br>Aluminij tlačni lijev |
| Proizvođač                     | Schrack-Trinity                         |
| Kut svjetlosti (°)             | 25°                                     |
| Pogonski uređaj                | EVG                                     |
| Radni napon AC (V)             | 220-240                                 |
| Izvor svjetla                  | LED                                     |
| Grlo                           | LED Platine                             |
| Efikasnost sustava (lm/W)      | 119                                     |
| Snaga (W)                      | 54                                      |
| Boja svjetla                   | Hladno bijela                           |
| Temperatura boje (K)           | 5700                                    |
| Faktor uzvrata boje            | ≥70                                     |
| Svjetlosni tok (lm)            | 6750                                    |
| Životni vijek                  | 100.000h / L80 / B10                    |
